### NOTES ABOUT THE SERVICES

**Evensong** - Evensong offers to us the opportunity to gather and spend time in prayer while listening and participating in music that is especially selected to bring us into deeper understanding of the mysteries of our faith.

**Taize** - A Taizé worship service involves sung and chanted prayers, meditation, a period of silence, liturgical readings, and icons. There is no preaching. The style of prayer practiced at Taizé has attracted many worshipers from around the globe and from many different denominations. The prayers consist of short, repeated chants and is meant to be a sign of reconciliation between divided Christians and between separated peoples. It is often called the Service of Light and there will be many candles on the altar.

**Tenenbrae** - Conversely, Tenenbrae is the Latin word for shadows, and the service was designed for meditation of the way to the Cross. There are as many candles as there are readings, plus a white Christ candle. The readings are one at a time and one candle is extinguished after it's read until only the Christ Candle remains. The first part of Psalm 22 is read and then the Christ candle too is extinguished. There is no benediction and the people leave in silence.

**Maundy Thursday** - This service commemorates the Last Supper and Jesus' humility and service. At the end of the service the altar is stripped and the altar washed in preparation for the events of Good Friday the following day.

**Good Friday** - The Stations of the Cross remember the path Jesus followed on His way to the Cross. This is a beautiful and solemn service leading to the joys of Easter Sunday

## Living into God's Abundance

Look around and you will see that things look brighter, cleaner; shiner this morning. This past Thursday/Friday professional cleaners came in and stripped and waxed the floors. What a wonderful feeling when things are bright and new!

Part of the emphasis on a New Day in the Diocese is changing our culture to be bold and make some decisions to move forward in our life in Christ. Of course, being outward thinking, developing ministries that reach out beyond ourselves is a big part of that change, but sometimes we need to freshen up our house to be inviting to others.

A clean floor, a fresh coat of paint, the new refrigerator, new carpet and cushions in the Wicker room – all these make a great start to sweeping the cobwebs out of our corners and letting the Son shine in! New ministries like the Men's Grill and Chill and our Family Movie Nights offer each of us an opportunity to invite someone new and show off the place.

On a practical note, we will need everyone's help to keep the floors in great condition. 1<sup>st</sup>, please, please do not drag the chairs or tables across the floor. Pick up your chair to move it. Ask a partner with help to set up or move a table. Wipe your feet when entering the building – sand is a floor's worst enemy. Finally, just like home, please clean up any mess you may make on the floor. There are brooms and mops available and plenty of people to help when there is a spill.

Living into God's abundance is mainly an attitude – a frame of mind that's thinking positively the things we can do to advance God's kingdom. It's living into our identity as God's precious children; living into our identity as God's family. With that comes responsibility to take care of the good things He has given us and spread the joy of His love to everyone around us.

Warmly, Tony+

### EASTER EGGS FOR THE BUNNY

The Easter Bunny still needs a few more eggs and candies so he will be well prepared to hide them for the children on Easter morning after church. He would like the larger plastic eggs (Dollar Store) and candies which fit inside them, (especially chocolate). You can leave them in the office by Wed. He sends you all many thanks and much love.
