

### SUMMER LUNCHEES FOR CHILDREN

This summer we are fortunate to be joining together with the library and the Summer Nutrition Program from Putnam County School Food Service to serve lunches to children under 18. Putnam County will provide the food and we will help with volunteers and a place for the children to eat. We will also be reading or playing games with the kids. If you know of any children who are in need of a good healthy lunch please tell them about the program and that it will be here at Trinity. Betty Griffith is coordinating the program for us and has additional information if you would like to learn more.

### HOME FELLOWSHIP AND BIBLE STUDY

The Home Fellowship meeting at Fr. Tony's and Ann's starts at 6:00pm every Monday evening. There is a new study on 1 Corinthians. There will not be a class next Monday since it's Memorial Day. Everyone is invited. Please let Fr. Tony know if you would like to come or if you need a map to their house for the meeting.

### UNITED THANK OFFERING

The ECW has been collecting funds for the United Thank Offering during the month of May. There are envelopes and blue boxes available in the back of the church for everyone. There's still time to bring your offering to the office or put it in the offering plate. The United Thank Offering is a ministry of The Episcopal Church for the mission of the whole church. Through UTO, men, women, and children nurture the habit of giving daily thanks to God. These prayers of thanksgiving start when we recognize and name our many daily blessings. Those who participate in UTO discover that thankfulness leads to generosity.

UTO is entrusted to promote thank offerings, to receive the offerings, and to distribute the monies to support mission and ministry throughout The Episcopal Church and Provinces of the Anglican Communion. During 2017 the UTO was able to award grants of \$1,214,447.51. If you would like to see what ministries your money is helping to support through UTO you can look on the National UTO website and see the list of grants which were awarded for 2017. Dear Trinity Family,

Each week at our Praise and Healing Eucharist on Wednesdays, we hear the stories of those who have made a difference in the world, those who have helped grow God's kingdom. This past Wednesday we honored the pioneers who founded the Episcopal Anglican Church of Brazil – missionaries who traveled to Brazil in the 1890s and began to hold services and establish the church there.

Missionary work can be rewarding, but it is never easy. It is hard work, requiring time and energy, patience and creativity. In some parts of the world, the mission field can be dangerous work. Today's threats are not so much the head-hunter tribes of the past as the drug lords and human traffickers of the present.

Locally, Trinity is blessed to be a part of Putnam County's efforts to make sure school children don't go hungry this summer. It is a small effort, but a start to try to provide lunches to local kids who might go without. This past week we hosted the program here at Trinity and for the rest of the summer, Trinity will provide meals on Mondays and the Melrose Library will be host on Tuesdays – Fridays.

The challenge this first week has been connecting with the kids – getting the word out and getting the children here. Rainy weather did not help, however, by Tuesday, the honorable Mayor Cornelius Clayton was getting the word out and by the end of the week we were able to feed 9 kids. Our hope is to build on this start and continue to work with members of St. Johns Baptist to see if we can eventually build up to the minimum twenty to twenty-five children we would like to feed.

Ministry to the local community is always a challenge. Whether Movie Night, 4<sup>th</sup> Wednesday dinner, or the Summer Lunch Program, the challenges are always the same – how to make it meaningful enough for others to come and how to get the word out. To those ends, Trinity remains successful, offering a personal touch with real care, concern, and attention to detail that lets others know that they matter, that they are loved.

Please join us this summer as we reach out to the community and try to make a real difference in Melrose. Please help spread the word about all we do to honor God through local mission and current ministries.

Warmly, Tony +

**MOVIE NIGHT**

Next week on the 14th will be our usual Movie Night. Popcorn, drinks, candy and, of course the movie are free, and everyone is invited so bring your friends and neighbors to share the fun.
